This calendar displays the appointment times for four teachers and shows "Unavailable" appointment times and there is a region that can not be booked from 3:30pm up to and including 3:50pm. This set of appointment times have been scheduled already for another student, "Jane Smith", and this parent is thus busy at these times.

Only if a sibling has an appointment booked will the student's name be displayed for a parent, thus making it easier to book adjacent appointments.

Viewing Parent Appointment Schedules

A parent can view all their appointments for a schedule by selecting the schedule from the "PROFILE" menu tab. This will list all their appointments in chronological order and will allow the parent to delete any of the appointments.
